KS2 End of Year Show: Robin and the Sherwood Hoodies

Well done to all our KS2 children for working so hard and putting on yet another amazing performance and, in a heatwave! Thank you to the staff who worked tirelessly to support the children through rehearsals and with creating props and thank you to our families for supporting with costumes, coming to watch and applauding loudly! That's a wrap!

Terms and Holidays for 2026-2027 Our school holiday pattern for 26-27 which has been shared with families over the year and is available on our school website, has been shared again to help support positive attendance. Please make a note of the starts and ends of terms as these don't always align with the LA pattern. Our dates for 27-28, will be shared in the autumn term.

Picnic in Playground is back!

At 12:15pm on Monday 13th July, our amazing Catering Team will be treating the children to a picnic lunch on the playground. The children can bring a picnic blanket if they like. If your child would like a school dinner on that day, please let the school office know by Friday 3rd July. Our

PTA will also be treating children and staff to either an ice-cream or ice lolly from the ice-cream van. If there are any allergies that school isn't already aware of, please let us know.

Family Questionnaire 2026

Every year, Delph gathers feedback from parents, carers, pupils and staff. This helps us to highlight what we are doing well and to look at what we can improve further. Please help us to shape the next academic year and beyond by completing this year's survey using the following link: <https://forms.gle/CrcxYZS6tWUyQ2bbA>. Every comment is read and discussed and where possible, changes are made. The survey is anonymous so please share your thoughts honestly! THANK YOU to the 28 families who have completed so far. We only received 26 in total last year so we're on for a PB!

Parking Considerately

Please can we politely ask that car park users park responsibly and in the allocated bays. Please do not use a disabled space if you do not need it as this can make access difficult, for those that do. Whilst the car park doesn't belong to Delph School, our staff and families are the main users, and we want to keep the space safe for everyone to use. Thank you for your support.

PTA Clothes Collection Thank you for your donations and support. **We raised £165.15!** We're funding new PE equipment and lockers for KS2 children, so every penny helps and is benefitting your child.

Summer Reading Challenge

This year, the theme is 'Read to the Beat'! The campaign encourages children to challenge themselves to read over the summer holidays. They can read any library books that they choose. It's all about having fun and

reading for pleasure. On signing up, they will receive a sticker booklet to track their reading.

For every two goals they complete, they will receive a sticker to add to their booklet. There is no pressure to read a set number of books, or to read anything they don't enjoy. If they do complete six reading goals, they will receive a medal and certificate. It's **FREE** to take part and runs from **11th July 2025 – 12th September 2025**. **You can sign them up at any library in Oldham. Don't have a library card? No problem. It's only takes a few minutes to get signed up.**

Oldham Music Festival 2026

Well done to our amazing Brass Band who performed once again, at this year's Oldham Music Festival. Unfortunately this year, we didn't win a trophy and were pipped to the brass by Diggle School. However, the adjudicator gave some lovely feedback saying, "You made a great sound and played the rhythm really well. There were some great dynamics. A young band with only two sets of feet touching the floor! You will be a fantastic group if you stick together!" Thank you to Mr Byers for leading the band and getting us performance ready!
